An Organ donation  
awareness initiative of PGIMER

---

# Administrative Challenges In Deceased Organ Transplantation

Dr. Vipin Koushal

Associate Professor

Department of Hospital Administration

# THOA

## WHEN THE LAW MEETS MEDICINE

- Organ donation is an act of altruistic nature.
- To ensure this and prevent any exploitation, the GOI has enacted THOA.

# Identification Of Potential Donor At The Right Time

- Timing is Everything

# Finding An ICU Bed

- Rare phenomenon in tertiary care setup like PGIMER

# Maintenance of Organ

- Expertise
- Interest
- Attitude

# Consent of next of kin

- Time of grief
- Awareness
- Misconceptions
- Aptitude of counsellors

# Police NOC

- Lack of awareness
- Huge distances
- Lack of attitude

# Constitution of BD certification committee

- Not an easy job !!!

# Investigations

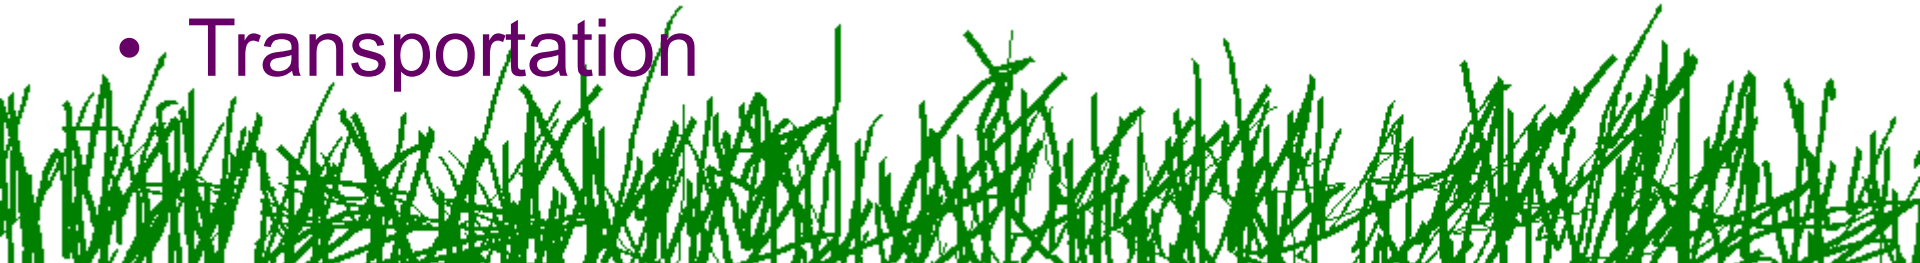

- No fixed investigations
- Some not done in the institute
- Funds to get it done from outside

# Sharing of organs

- Co ordination with other Institutes for Recipients
- Transportation

# Postmortem

- Ensuring avoidance of hassles to the family of deceased donor
- Forensic expert in Tx Team ?

# Transportation of body of donor

- Ensuring due respects to Deceased donor & Family

THANK YOU
